Christmas Edition

THE JIMPLECUTE will issue a Special Holiday Edition with Lithograph Cover on December 8th. All Advertisers who want to get before the people with their Holiday and Christmas goods will do well to take SPACE in this issue. Get your copy ready early.

Texas wants more good farmers, fruit growers, dairymen and live, progressive people of every vocation to help develop her resources and extend her industries.

Co-operation of effort is just as essential as concentration of energies. So let's all pull together for the uplift of town, community and state. It's get together, stay-together and pull—together work counts.

If we are not our brother's keeper, we should at least be interested in his prosperity when we realize that our own success is largely dependent on his. So let's patronize home industries and help everybody—ourselves included.

Do you believe that we have one of the best towns on earth—or may be you believe it is the best if so, that is better—and do you occasionally let other people know that you believe it? To believe in one's own town, county and state is a requirement for success that is secondary only to the basic principle of belief in One's own ability. To let others know that you believe in it is the most effective advertisement a town can have.

Secretary Wilson of the Department of Agriculture in a recent report said: "The movement for good roads is going to benefit the farmer in getting his products to market expeditiously in all kinds of weather at a reduced cost. This, if nothing else, should cause every farmer to vote for good roads for the primary object of farming is to get the products of the farm to market in their most salable condition at the lowest possible cost."

The December Woman's Home Companion.

The December Woman's Home Companion is a specially illustrated and beautified Christmas number. It contains aside from the usual illustrations, a great many pictures in color. Stories are included in a greater number than usual and several of them are extraordinary presentations of the Christmas spirit—full of action and the best kind of sentiment. Some of the contributors of the fiction are: Jeffery Farnol, Mary E. Wilkins Freeman, Norvell Harrison, Owen Oliver and Hulbert Footner.

One of the notable special articles in the number is entitled "What Christmas Might Be." It is an eloquent plea by Charles E. Jefferson, pastor of the Broadway Tabernacle in New York City. Other special articles worthy of particular mention are "American Mural Decoration," "Flashlight Photography," "A Christmas Palace," "Last Minute Gifts," and "The Professional Parent."

The special department, for which the Woman's Home Companion is famous, are filled with good reading—such, for example, as a remarkable article on "The Healthy Boy," by Dr. Roger H. Dennett, a great specialist in New York, "A Girl's Charities at Christmas," "Sam Lloyd's Own Puzzle Page," and many other contributions.

The fashion, household decoration and handicraft features of the Companion are remarkable for their interest and practicality.

A Verse From Scripture.

A Sunday school superintendent, smug and self-satisfied, was fond of asking questions for the privilege of answering them himself, after encouraging the scholars into the belief that they knew the reply. On one occasion when he was talking about cruelty to animals he discoursed with much feeling.

"Only a coward would abuse a creature that had no way of defending itself," he said. "Why, I once knew a little boy who cut off a calf's tail. Think of it, children, he took a knife and cut the tail right off! Can any one tell me a verse in the Bible that would have taught this bad, cruel boy not to have cut off the calf's tail?"

There was the usual pause, followed by the uneasy shuffling of feet and then a youngster lifted his hand. In reply to the superintendent's "What is it, my son?" he sturdily repeated: "What God hath joined together, let no man put asunder."

Sugar Cane Crop Damaged.

Austin, Texas, Nov. 30.—Official dispatches to Governor Colt quit today were to the effect that the freezes of Tuesday and Wednesday nights have practically wiped out the sugar cane crop of South and Southeast Texas and materially damaged that of Louisiana. Two of the penitentiary commissioners reported that the damage to the cane crop on penitentiary farms alone would amount to over \$500,000.

"The sugar cane planters of the Brazos Valley and Southeast Texas are practically ruined," ran one of the dispatches. The temperature of the blighted region was 14 degrees above zero last night. This year's sugar cane crop was the finest in the history of the State penitentiary farms, in that community.

CHILDREN INJURED

Ordinary Cathartics and Pills and Harsh Physics Cause Distressing Complaints.

You can not be over-careful in the selection of medicine for children. Only the very gentlest bowel medicine should ever be given except in emergency cases. Ordinary pills, cathartics and purgatives are apt to do more harm than good. They may cause griping, nausea and other distressing after-effects that are often health-destroying.

We personally recommend and guarantee Rexall Orderlies as the safest and most dependable remedy, which we know, for constipation and associate bowel disorders. We have such absolute faith in the virtues of the remedy that we sell it on our guarantee of money back in every instance where it fails to give entire satisfaction, and we urge all in need of such remedies to try it at our risk.

Rexall Orderlies are eaten just like candy, and are particularly prompt and agreeable in action; may be taken any time, day or night; do not cause diarrhoea, nausea, griping, excessive looseness or undesirable effects; they have a very desirable but positive action upon the organs with which they come in contact, apparently acting as a regulative tonic upon the relaxed muscular coat of the bowel, thus overcoming weakness, and aiding to restore the bowels to more vigorous and healthy activity.

Rexall Orderlies commonly completely relieve constipation, except of course when of surgical character. They also tend to overcome the necessity of constantly taking laxatives to keep the bowels in normal condition. Three sizes of packages; 10 cents 25 cents and 50 cents. Remember, you can obtain Rexall Remedies in Jefferson, only at our store, the Rexall Store, by W. J. Sedberry.

Good Positions.

A written guarantee will be given to secure for you a good position if you take the Guarantee Course at Draughton's Practical Business College, Dallas, Texarkana, Denison or Ft. Worth.

A FACT ABOUT THE "BLUES"

What is known as the "Blues" is seldom occasioned by actual existing external conditions, but in the great majority of cases by a disordered LIVER.

THIS IS A FACT which may be demonstrated by trying a course of

Tutt's Pills

They control and regulate the LIVER. They bring hope and buoyancy to the mind. They bring health and elasticity to the body.

That Epworth League and That Farewell Reception!

On Monday evening of this week the pastor of the Thoburn Methodist Episcopal church was requested to come to the home of Mrs. G. W. Lathrop at 8:00 p.m. On being welcomed he and the family sat by the warm fireside, enjoying a good family chat, after about one half hour music sounded forth in an adjoining room. The door was opened and such a magnificent sight as greeted the eye! The room was elegantly decorated with ivy, circling around the walls of the room the Epworth League stood with bowed head, laying on the floor before them, encircling the room were branches of pine, dotted here and there with cotton, a magnificent bower was erected, on which was hung "Epworth League" with the emblem, in letters of silver. Underneath this one sat and rendered a very appropriate farewell solo. Then the entire company sang, "There Shall be Showers of Blessings," after which the pastor was led into that beautiful room, dimly lighted with Japanese lanterns, and placed in a chair in the middle of the room. What was to happen, he knew not. But he soon had some idea when from some mysterious source over his head a bag burst and scores of little bags rained upon him. There were "the showers of blessings." A counting showed there to be a magnificent sum of money. It was high impossible for him to make the due remarks, and as he sat there in bewilderment, many other presents were gratuitously presented. A most pleasant evening was spent. Games and the merry chatter of a happy pastor and his faithful Leagues, was heard to a late hour. To Mrs. List especially and all the Leagues generally, is credited the success of the evening.

That Epworth League, with Willie Parvino, that live enthusiastic, promising young man as president, ably assisted by his corps of officers, certainly know how to do things! One can seldom find an organization more harmonious and enthusiastic in its maneuvers. Their efforts are proving more helpful; more than one needy home in this town has been assisted by the mercy and help department, with Miss Meff Lathrop, V-pres. The devotional meetings of a Sunday evening are never slow or dry, with Miss Carrie Mae Murray as V-pres. The missionary department, with Miss Mae Kirkland V-pres, the literary and social with Mrs. Parvino, V-pres, are keeping step with the others in their progress. And with Miss Waldo Murray for secretary and Mrs. Lula List as treasurer, who could question but this is one of the liveliest young people's organizations in the city. Gradually, our members increase. Every one has a cordial invitation to "look in on us". The pastor of the Methodist Episcopal church congratulates himself in being so intimately associated with these promising young Christians.

Happy Marriages

Are the result of knowing the laws of health and nature. All the knowledge a young man or woman, wife or daughter should have, is contained in the People's Medical Adviser, by R. V. Pierce, M. D. This big Home Doctor Book containing 1008 pages with engravings and colored plates, and bound in cloth, (nearly 7000, 000 copies formerly sold for \$1.50 each), is set free to any one sending 31 one-cent stamps to prepay cost of wrapping and postage. There are no conditions to this offer and the reader must not associate this book with the advertising pamphlets prepared by quacks throughout the country. Address, 662 Washington St., Buffalo, N. Y.

Cold Texas Thanksgiving

Dallas, Texas Nov. 30.—Texas today enjoyed one of the coldest Thanksgiving days in the history of the weather bureau station. Snyder, Texas, reported 4 degrees above zero. Dallas registered 15 above this morning. At Houston streams were reported frozen over, but the orange crop was declared uninjured. Galveston reported 34 and San Antonio 24 above zero, with rising temperature.

Constipation causes headache, nausea, dizziness, languor, heart palpitation. Drastic physic grips, sicken, weaken the bowels and injure. Doan's Regulator acts gently and cures constipation. 25 cents. Ask your druggist.

New Zealand dealers recently shipped several consignments of frozen ducks to London with good results. They sold for about 75 cent each, and when ready for the table are said to have averaged up to the English product.

Lighten Mother's Work

BUY HER ONE OF THESE EFFICIENT LIGHT-RUNNING SEWING MACHINES

Satisfaction—Or Money Refunded

Nothing is too good for mother. At the best of times it is none too easy. The old saying that "Mother's work is never done" comes pretty close to the truth. Anything then that can help her—make her work lighter—her life easier—is worth caring for. The Sewing Machine has probably done more to help woman than any other invention or discovery of modern times. It was a long, long jump from sewing by hand to the modern machine. People thought that perfection had been reached. Yet in some respects it is even a greater stride from the first machine to the "Damasus" or "Windor" of to-day. Here combined in one machine you find the highest skill, the best material and the latest improvements.

The "Windor" and "Damasus" (fully described and quoted in our special sewing machine book) do everything that good machines should. They are efficient, durable, light running. In short they are "the last word" in sewing machines to-day.

You may think a new machine will be an expensive luxury—it may cost a good deal if you buy from a local dealer or agent. You have to pay three or four unnecessary profits then. But have you seen the prices we quote? You may never have dreamed that you could buy a high grade machine for so little. If so a welcome surprise awaits you when you see our price list.

SEND FOR THE SEWING MACHINE BOOK

"It is impossible to buy a good sewing machine for less than \$40.00." You have heard people say that. Perhaps some agent has told this to you. Don't you believe it for a minute. You can buy as good a sewing machine as you can find anywhere on the market to-day, regardless of price, for from \$14.70 to \$22.95. This sewing machine book tells you all about it. It shows you a complete line—machines for every purpose, every requirement. We have a machine here for you.

Send for book 19, without fail, if you need a sewing machine.

READ OUR FREE TRIAL OFFER

We do not ask you to accept these statements as final—we want you to prove to your own satisfaction that our machines are all that we claim them to be. Take one of these into your home—give it a trial for 30 days. Call in your neighbors—ask their opinion—then if it does not suit you, return it to us. We will refund your money and pay transportation charges both ways. Is this not a fair proposition? We can afford to make this offer because we are sure that our sewing machines will "make good."

On this page you will also find a complete list of our money saving books. Look over this list carefully—pick out the ones you are interested in. We will send any book you want absolutely free of charge.

SATISFACTION—OR MONEY REFUNDED

NO VACATION.

Will Continue Right Through the Holidays.

The Tyler Commercial College of Tyler, Texas, has arranged this year, as usual, to accommodate all of its students who desire to continue their studies during the Christmas holidays. Those who especially desire to return to their homes to spend Xmas, will be excused Friday evening Dec. 22nd, and will be expected to take up their work again on or before Jan. 1st 1912. Usually about 400 students remain and work right through the holidays.

New students may enroll at any time during the Xmas holidays. We advise all to enroll as soon as possible; there is nothing to be gained by waiting until January 1st. We have no term openings; our school is the same one day as another, just like a bank, railroad or business house.

The students work is principally all individual instruction, and each and every student is pushed each day to his full capacity. Slow students are not overcrowded trying to keep up with fast ones, and fast students are not held back and discouraged on account of slow ones. It would really be better to enroll and get started before the big January rush.

Upon arriving in our city, go direct to the College, where you will be given prompt attention and choice of nice boarding place with private family, at a cost of from \$2.50 to \$3.50 per week for board and lodging.

Tuition for a complete, unlimited life's scholarship of book-keeping, shorthand, or telegraphy is \$50; any two courses combined \$95. If you have not read our large beautifully illustrated catalog, write for one. It will give you full particulars and detailed information regarding America's largest and greatest commercial school. The school that gives you an education for which the business world promptly and gladly pays cash.

5 or 6 doses "666" will cure any case of Chills and Fever. Price 25c. 30c

Pecan Trees.

SPECIAL AGRICULTURAL TRAIN

In co-operation with the M. K. & T. and the Texas Central Railway we are going to operate a special agricultural train over their lines starting December 4th and finishing December 15th. This will be a train of nine cars consisting of lectures, exhibits and demonstration from the Agricultural & Mechanical College of Texas at College Station, Texas and from the College of Industrial Arts, Denton, Texas. In your county the train will stop as follows:

At Jefferson, December 14, at 5:30 p. m. Lecture in Court House or Opera House at 7:30 p. m.

We are very anxious to have as large attendance at this train as possible for the lectures and demonstrations will and appreciate any announcements or publicity you may be able to give the matter.

On the exhibit car will be found some of the finest specimens of live stock available including the grand champion beef steer of the State of Texas. This steer has won over \$1,000.00 in cash and several silver cups and will evidently be worth coming to see. On the demonstration car will be found exhibits of soil, fertilizers, farm crops, and different methods of budding, grafting, etc. Special car will be devoted to the carrying of the good roads exhibit. Lectures will be given on stock, judging, soils, fertilizers, crop rotations, dairying, road building and domestic science. Special cars will be furnished for the ladies and children and nearly every school along the lines have planned to march the children to the train in a body for the one hour stop. What sort of a showing will your town make?

Yours very sincerely,
J. W. Evans,
Supt. Ext. Dept.
